

**VANCE'S PASSION:
TO EMPOWER INDIVIDUALS TO BE
SKILLFUL FAMILY LEADERS**

Dr. Vance Hardisty
Author/Speaker/Teacher/Consultant

Raised by a Marine Corps officer, Vance started his first business at the age of 11 and since then has founded and run a number of organizations and businesses including a real estate development company, a web development company and a non-profit organization. He has served as a consultant for California community colleges, sits on the national steering committee for the Lighthouse movement and taught as an adjunct professor at Western Seminary.

HIS BOOK HAS SOLD IN OVER 25 COUNTRIES. HIS ARTICLES HAVE BEEN PUBLISHED IN MAGAZINES, BLOGS AND EZINES (ONLINE MAGAZINES), AND HE HAS APPEARED ON NUMEROUS RADIO AND TELEVISION SHOWS.

In the midst of it all, Vance lost his health for six years, and failed at 14 business ventures. These experiences turned out to be the tool that made him the dynamic success that he is today. Harnessing the rich lessons of his personal story, and the varied background of his work experience, Vance shows military members and their spouses how to transform their minds and overcome obstacles in order to achieve success.

VANCE'S SPEAKING WILL INSPIRE, EDUCATE, MOTIVATE AND TRANSFORM LIVES!

Vance's Powerful Presentations

Tough Times in The Military?

No worries, here's how to survive both sides of deployment and have a great military experience

What happens when your loved one is on duty overseas, deployed in the field, has recently been assigned, or any number of pressures threaten to derail your dreams? These are times that will either break you or make you into what you were meant to be.

What you'll learn:

- How the struggles can be your families greatest ally
- How you can view frustrations in a completely different light
- 3 life changing tools that will empower people to stop complaining and start learning
- The secret that allows people to see pressure for what it is designed to be

When Vance is finished, you will be able to:

- Create a positive, dynamic atmosphere that will enhance the outlook of everyone around you
- Develop resiliency that promotes successful daily habits
- Become a person who can transform yourself, your family, friends and those in the service with you

The power of this presentation comes from Vance's personal experience. He shows you how to discover the phenomenal lessons that you can't learn anywhere else. **Don't be discouraged, be encouraged. You are on the brink of career, relationship and personal breakthrough.**

Family Leadership Development

Learning the shared skills and qualities of the greatest leaders in history

The greatest leaders in the world understood a seldom spoken, yet indispensable and powerful concept: *servant leadership*. Using the lives of leaders from politics, military, history and religion, Vance shows how you can use the little known keys of greatness effectively to transform your tour of duty. whether you are in the field, or in the home.

DR. VANCE HARDISTY BRINGS A WEALTH OF KNOWLEDGE AND UNDERSTANDING...HE IS A DYNAMIC SPEAKER, CAPTURING LISTENERS' HEARTS WITH HIS PASSION FOR PRACTICAL TRUTH THAT MAKES A DIFFERENCE IN THEIR LIVES.

Ch, Lt Col, James D. Rozman, USAF (Ret)

What you'll learn:

- Why many find it difficult to lead effectively, both inside and outside the home
- How to get people to follow your leadership, and enjoy it
- The one core belief that you must have as a leader and how to get it

When Vance is finished, you will be able to:

- Lead successfully with an understanding of how to **give people a vision** for the future
- Enjoy more effective leadership with your family and your unit so that they **respect and admire** you and your direction

Great leaders are not necessarily those who have the biggest name and reputation in life. Greatness is about **those who leave a legacy** with their lives.

Make Your Life Count - Now - in The Military
As a service member or military spouse

Those in the military get it more than any others. They know it isn't all about them. Oh yeah, money, job and power all have their place, but there is something that far outweighs them – significance and purpose.

You will learn how to:

- Choose now to make a difference
- Refuse to live the status quo
- Establish habits that will make you a person of influence within your family, unit or command
- Demand a new level of excellence from yourself, others and life

As in the other programs in this series, your military personnel and families will be encouraged and challenged. They will be **given practical steps**, coupled with powerful real life examples, in order to live life in a **transformational** way.
